Stop Work Order

Date Issued: 10/26/2005

Location: 1300 Peace Portal Drive

Description: BMC Chapter 17.07 - Site Plan Approval
 All site work on subject property shall stop until the Owner has site plan approval as defined in Chapter 17.07.

Violation(s) and Action(s) Required:

- 1.) Site plan has not been approved and all site work shall stop until site plan approval has been achieved.
- 2.) Formwork installed in City Right-Of-Way (ROW) - formworks shall be removed and all work in ROW shall stop
- 3.) Wood posts installed in City Right-Of-Way - wooden post shall be removed
- 4.) No work shall take place in City Right-Of-Way without the proper permits issued by the City.
- 5.) No work shall be performed on site storm water system until Owner receives City approval.
- 6.) Work on the existing structures other than the Maintenance building may continue.
