**RE: Palisades Project**

Dear Council Members:

Harbor Lands wishes to appeal a recommendation by Terry Galvin to void all of our work to date at the Palisades project. Harbor Lands did not withdraw it nor indicate its withdrawal indirectly. We only advised Terry Galvin that we would not be building the project, and were awaiting the resolution of conflicts of interest against Blaine Planning Commission members. Resort to your political body is appropriate given that Palisades was labeled a "major development," which mandates that all decisions regarding its approval or disapproval must be rendered by the City Council. Thank you.

Sincerely,

Joel Douglas  
Harbor Lands Co.
