RE: Seascape Resolution Meeting

Ladies and Gentlemen:

I respectfully request an immediate meeting with three members of the Blaine City Council to discuss the substantial issues relating to the Seascape project. Such group of council members would not form a quorum, and at the same time would allow the responsible officials to be aware of our participation, ongoing problems, and attempts to resolve any outstanding issues. Thank you.

Sincerely,

Joel Douglas
Harbor Lands Co.

cc: Clerk of City Council, City of Blaine
