Superintendent Ron Spanjer
Blaine School District
770 Mitchell Avenue
Blaine, WA 98230

Dear Ron:

The Blaine City Council congratulates Blaine High School and the School District for being named one of the top high schools in the United States. The School District has long supported a quality Advanced Placement Program and the recognition is well deserved.

We are particularly proud of the teachers who have prepared themselves to teach Advanced Placement classes and the students who accept the challenges of taking these classes.

A quality education system is the heart of a healthy community and nation. Thanks for your good work.

Sincerely,
For the Blaine City Council

Gary Tomsic
City Manager
