Blaine City Council
Chamber of Commerce

Semiahmoo in it's ad campaign only uses Blaine in it's address. It's quite important that Blaine takes advantage of it's natural resources and setting by addressing it's association with the water. This is why we ask for your support or a test ballot for a Drayton Harbor name change.

Sincerely

A handwritten signature in black ink, appearing to read 'Joel Douglas', is written over the printed name. The signature is stylized with a large loop at the top and a long horizontal stroke extending to the right.
