**RE : Ellingson should have no development role**

PLANNING DECISIONS

**If it is your intention to have Mr. Ellingson review development plans . . . STOP !**

He has already soundly disqualified himself by being an avowed, vocal opponent of signs and billboards, and in addition he failed to report a conflict of interest in a January 2006 hearing which cost the parties many thousand dollars in pleadings and resetting a new hearing.

**Let Blaine stick to the Council review !**

*Sincerely,*
