

## CITY MANAGER AND STAFF REPORTS

1. Youth in Government Presentation
2. Lighthouse Point Update
  - i. We are working with BPA and the design engineer team at Brown and Caldwell to perform an energy conservation review.
  - ii. Show slides of architectural concepts with entrance moved to front (south)
3. State & Federal Projects
  - i. (Truck Route – SR543)
    1. Opening ceremony on 12/5 at 11:30 most likely on the D Street Bridge.
    2. D St. bridge will be open on the 21st, but will require a 1/2 day closure later after we've already opened it.
    3. The plan is by Dec 5th to have all the lanes opened.
    4. The only thing that hangs out there is the ramps. We may be able to get the **on**-ramps open but the **off**-ramps are tricky without the overhead sign bridge.
  - ii. (GSA Project)
    1. Looking at landscaping in roundabouts this Friday in Burlington.
    2. We have given GSA and their construction contractor J E Dunn a limited notice to proceed with utility work in the right-of-way of 2<sup>nd</sup> street and C st
4. Lincoln Substation Update
  - i. BPA providing comments on Draft Facility Plan
  - ii. Estimate for partnership is about \$1.6M with additional \$0.5 for distribution connector and line conditioning. Total of \$2.1 compares favorably with \$4.1 to 5.4M range to construct our own substation provided by PUD/Commonwealth Assoc (CAI).
5. Neighborhood Street Design Charrette
  - i. Salashan Neighborhood meeting scheduled for 5:00 Tuesday December 4<sup>th</sup> at the Unitarian Church.
  - ii. H St. Community Meeting in early January.
6. Major Projects Update
7. Quarterly Report
8. Street Bonding Report
9. Amtrak Rail Service for White Rock & Semiahmoo Region Report
