SECTION 4. Registration, Exchange and Payments.

(a) *Bond Registrar/Bond Register.* The City hereby adopts the system of registration approved by the Washington State Finance Committee, which utilizes the fiscal agency of the State of Washington in New York, New York, as registrar, authenticating agent, paying agent and transfer agent (collectively, the “Bond Registrar”). The Bond Registrar shall

keep, or cause to be kept, at its principal corporate trust office, sufficient records for the registration and transfer of the Bonds (the “Bond Register”), which shall be open to inspection by the City. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance and to carry out all of the Bond Registrar’s powers and duties under this ordinance. The Bond Registrar shall be responsible for its representations contained in the Certificate of Authentication on the Bonds.

(b) *Registered Ownership.* The City and the Bond Registrar may deem and treat the Registered Owner of each Bond as the absolute owner for all purposes, and neither the City nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such Bond shall be made only as described in Section 4(h) hereof, but such registration may be transferred as herein provided. All such payments made as described in Section 4(h) shall be valid and shall satisfy the liability of the City upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letter of Representations.* The Bonds shall initially be held in fully immobilized form by DTC acting as depository. To induce DTC to accept the Bonds as eligible for deposit at DTC, the City has heretofore executed and delivered to DTC a Blanket Issuer Letter of Representations (the “Letter of Representations”).

Neither the City nor the Bond Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees with respect to the Bonds for the accuracy of any records maintained by DTC or any DTC participant, the payment by DTC or any DTC participant of any amount in respect of the principal of or interest on Bonds, any notice that is permitted or required to be given to Registered Owners under this ordinance (except such

notices as shall be required to be given by the City to the Bond Registrar or to DTC), the selection by DTC or any DTC participant of any person to receive payment in the event of a partial redemption of the Bonds, or any consent given or other action taken by DTC as the Registered Owner. For so long as any Bonds are held in fully immobilized form hereunder, DTC or its successor depository shall be deemed to be the Registered Owner for all purposes, and all references in this ordinance to the Registered Owners shall mean DTC or its nominee and shall not mean the owners of any beneficial interest in any Bonds.

(d) *Use of Depository.*

(i) The Bonds shall be registered initially in the name of CEDE & Co., as nominee of DTC, with a single Bond for each maturity in a denomination equal to the total principal amount of such maturity. Registered ownership of such immobilized Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the City pursuant to subsection (ii) below or such substitute depository's successor; or (C) to any person as provided in subsection (iv) below.

(ii) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the City to discontinue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the City may appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(iii) In the case of any transfer pursuant to clause (A) or (B) of subsection (i) above, the Bond Registrar shall, upon receipt of all outstanding Bonds, together with a written request on behalf of the City, issue a single new Bond for each maturity then outstanding, registered in the name of such successor or substitute depository, or its nominee, all as specified in such written request of the City.

(iv) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the City determines that it is in the best interest of the beneficial owners of the Bonds that the Bonds be provided in certificated form, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held in fully immobilized form. The City shall deliver a written request to the Bond Registrar, together with a supply of definitive Bonds in certificated form, to issue Bonds in any authorized denomination. Upon receipt by the Bond Registrar of all then outstanding Bonds, together with a written request on behalf of the City to the Bond Registrar, new Bonds shall be issued in the appropriate denominations and registered in the names of such persons as are provided in such written request.

(e) *Transfer or Exchange of Registered Ownership; Change in Denominations.* The registered ownership of any Bond may be transferred or exchanged, but no transfer of any Bond shall be valid unless it is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee, a new Bond (or Bonds at the

option of the new Registered Owner) of the same date, maturity and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and canceled Bond. Any Bond may be surrendered to the Bond Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity and interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to transfer or exchange any Bond during a period beginning at the opening of business on the 15th day of the month next preceding any interest payment date and ending at the close of business on such interest payment date, or, in the case of any proposed redemption of the Bonds, after the mailing of notice of the call of such Bonds for redemption.

(f) *Bond Registrar's Ownership of Bonds.* The Bond Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Bond Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as member of, or in any other capacity with respect to, any committee formed to protect the rights of the Registered Owners of the Bonds.

(g) *Registration Covenant.* The City covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code.

(h) *Place and Medium of Payment.* Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. For so long as all Bonds are in fully immobilized form, payments of principal and interest shall be made as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds are no longer in fully immobilized form, interest on

the Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register on the 15th day of the month preceding the interest payment date, and principal of the Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the principal office of the Bond Registrar.

SECTION 5. Redemption and Purchases.

(a) *No Optional Redemption.* The Bonds are not subject to redemption prior to their stated maturities.

[(b) *Mandatory Redemption.* The Bonds maturing on December 1, \_\_\_\_ (which shall be deemed to be Term Bonds), shall be redeemed prior to maturity randomly (or paid at maturity), not later than December 1 in the following years (to the extent such Bonds have not been previously redeemed or purchased) and in the principal amounts set forth below, without premium, together with the interest accrued to the date fixed for redemption.

[(c) *Notice of Redemption.* Written notice of any redemption of Bonds shall be given by the Bond Registrar on behalf of the City by first class mail, postage prepaid, not less than 30 days nor more than 60 days before the redemption date to the Registered Owners of Bonds that are to be redeemed at their last addresses shown on the Bond Register. So long as the Bonds are in book-entry form, notice of redemption shall be given as provided in the Letter of Representations.

The requirements of this section shall be deemed complied with when notice is mailed, whether or not it is actually received by the owner.

Each notice of redemption shall contain the following information: (1) the redemption date, (2) the redemption price, (3) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the Bonds to be redeemed, (4) that on the redemption date the redemption price will become due and payable upon each Bond or portion called for redemption, and that interest shall cease to accrue from the redemption date, (5) that the Bonds are to be surrendered for payment at the principal office of the Bond Registrar, (6) the CUSIP numbers of all Bonds being redeemed, (7) the dated date of the Bonds, (8) the rate of interest for each Bond being redeemed, (9) the date of the notice, and (10) any other information needed to identify the Bonds being redeemed.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(d) *Effect of Redemption.* Unless the City has revoked a notice of redemption, the City shall transfer to the Bond Registrar amounts that, in addition to other money, if any, held by the Bond Registrar, will be sufficient to redeem, on the redemption date, all the Bonds to be redeemed. From the redemption date interest on each Bond to be redeemed shall cease to accrue.

(e) *Amendment of Notice Provisions.* The foregoing notice provisions of this section, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.]

(f) *Purchase on Open Market.* The City reserves the right to purchase any of the Bonds in the open market at any time and at any price.

SECTION 6. Creation of Bond Fund and Provision for Tax Levy Payments. A special account of the City known as the “City of Blaine Limited Tax General Obligation Bond Redemption Fund, 2007” (the “Bond Fund”), is hereby authorized to be created. The Bond Fund shall be drawn upon for the sole purpose of paying the principal of and interest on the Bonds.

The City hereby irrevocably covenants for as long as any of the Bonds are outstanding and unpaid that each year it will include in its budget and pay into the Bond Fund (on or before the date due) an amount which will be sufficient to pay the principal of and interest on the Bonds as the same shall become due. None of the money in the Bond Fund shall be used for any other purpose than the payment of the principal of and interest on the Bonds. Money in the Bond Fund not needed to pay the interest or principal next coming due may temporarily be deposited in such institutions or invested in such obligations as may be lawful for the investment of City money. Any interest or profit from the investment of such money shall be deposited in the Bond Fund.

The City hereby irrevocably pledges that, to the extent it does not have other sufficient funds to repay the Bonds, it will levy an ad valorem tax upon all the property within the City subject to taxation, within and as a part of the tax millage levy permitted to cities without a vote of the people, in an amount sufficient to repay the Bonds. A sufficient portion of each annual levy to be levied and collected by the City prior to the full payment of the principal of and interest on the Bonds will be and is hereby irrevocably set aside, pledged and appropriated for the payment of the principal of and interest on the Bonds. The full faith, credit and resources of the City are hereby irrevocably pledged for the annual levy and collection of such taxes and for the prompt payment of the principal of and interest on the Bonds as the same shall become due.

SECTION 7. Bonds Deemed To Be No Longer Outstanding. In the event that the City, in order to effect the payment, retirement or redemption of any Bond, sets aside in the Bond Fund or in another special account, held in trust by a trustee, cash or noncallable government obligations, as such obligations are now or hereafter be defined in RCW 39.53, or any combination of cash and/or noncallable government obligations, in amounts and maturities which, together with the known earned income therefrom, are sufficient to redeem or pay and retire such Bond in accordance with its terms and to pay when due the interest and redemption premium, if any, thereon, and such cash and/or noncallable government obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the Bond Fund for the payment of the principal of and interest on such Bond. The owner of a Bond so provided for shall cease to be entitled to any lien, benefit or security of this ordinance except the right to receive payment of principal, premium, if any, and interest from such special account, and such Bond shall be deemed to be not outstanding under this ordinance.

SECTION 8. Tax Covenant; Special Designation. The City shall comply with the provisions of this section unless, in the written opinion of Bond Counsel to the City, such compliance is not required in order to maintain the exemption of the interest on the Bonds from federal income taxation.

The City hereby covenants that it will not make any use of the proceeds of sale of the Bonds or any other funds of the City which may be deemed to be proceeds of such Bonds pursuant to Section 148 of the Code and the applicable regulations thereunder that will cause the Bonds to be “arbitrage bonds” within the meaning of said section and said regulations. The City will comply with the requirements of Section 148 of the Code (or any successor provision

thereof applicable to the Bonds) and the applicable regulations thereunder throughout the term of the Bonds.

The City further covenants that it will not take any action or permit any action to be taken that would cause the Bonds to constitute “private activity bonds” under Section 141 of the Code.

The City will pay any rebate amount to the United States of America at the times and in the amounts necessary to meet the requirements of the Code to maintain the federal income tax exemption of the interest payments on the Bonds, in accordance with the Federal Tax Certificate.

The City hereby designates the Bonds as “qualified tax-exempt obligations” under Section 265(b)(3) of the Code for banks, thrift institutions and other financial institutions. The City does not anticipate that it will issue more than \$10,000,000 of qualified tax-exempt obligations during 2007.

SECTION 9. Lost or Destroyed Bonds. If any Bonds are lost, stolen or destroyed, the Bond Registrar may authenticate and deliver a new Bond or Bonds of like amount, maturity and tenor to the Registered Owner upon the owner paying the expenses and charges of the Bond Registrar and the City in connection with preparation and authentication of the replacement Bond or Bonds and upon his or her filing with the Bond Registrar and the City evidence satisfactory to both that such Bond or Bonds were actually lost, stolen or destroyed and of his or her ownership, and upon furnishing the City and the Bond Registrar with indemnity satisfactory to both.

SECTION 10. Form of the Bonds. The Bonds shall be in substantially the following form:

In the event that the Bonds are no longer held in fully immobilized form, interest on this bond shall be paid by check or draft mailed to the Registered Owner at the address appearing on the Bond Register on the 15th day of the month preceding the interest payment date, and principal of this bond shall be payable upon presentation and surrender of this bond by the Registered Owner at the principal office of the fiscal agency of the State of Washington in New York, New York (the "Bond Registrar").

This bond is one of an issue of limited tax general obligation bonds of the City of like date and tenor, except as to number, interest rate and date of maturity, in the aggregate principal amount of \$[6,045,000] (the "Bonds"), issued pursuant to Ordinance No. 07-\_\_\_\_ of the City, passed on December 10, 2007 (the "Bond Ordinance"), to refund certain outstanding general obligations of the City and to provide financing for street and storm water improvements.

The Bonds are not subject to optional redemption prior to their scheduled maturities.

The City has designated the Bonds as “qualified tax-exempt obligations” for purchase by financial institutions.

The City has irrevocably covenanted with the owner of this bond that it will annually include in its budget and levy taxes, within and as a part of the tax levy permitted to cities without a vote of the electorate, upon all the property subject to taxation in amounts sufficient, together with other money legally available therefor, to pay the principal of and interest on this bond as the same shall become due. The full faith, credit and resources of the City are hereby irrevocably pledged for the annual levy and collection of such taxes and the prompt payment of such principal and interest.

The pledge of tax levies for payment of principal of and interest on the Bonds may be discharged prior to maturity of the Bonds by making provision for the payment thereof on the terms and conditions set forth in the Bond Ordinance.

The Bonds are issued in fully registered form in the denomination of \$5,000 each or any integral multiple thereof, provided that no bond shall represent more than one maturity. Upon surrender to the Bond Registrar, Bonds are interchangeable for bonds in any authorized denomination of an equal aggregate principal amount and of the same interest rate and maturity. This bond is transferable only on the records maintained by the Bond Registrar for that purpose upon the surrender of this bond by the registered owner hereof or his/her duly authorized agent and only if endorsed in the manner provided hereon, and thereupon a new fully registered bond of like principal amount, maturity and interest rate shall be issued to the transferee in exchange therefor. Such exchange or transfer shall be without cost to the registered owner or transferee. The City may deem the person in whose name this bond is registered to be the absolute owner hereof for the purpose of receiving payment of the principal of and interest on this bond and for any and all other purposes whatsoever.

Reference is made to the Bond Ordinance as more fully describing the covenants with and the rights of Registered Owners of the Bonds or registered assigns and the meanings of capitalized terms appearing on this bond that are defined in such ordinance.

This bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Ordinance until the Certificate of Authentication hereon shall have been manually signed by the Bond Registrar.

For purposes of this section, "beneficial owner" means any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds, including persons holding Bonds through nominees or depositories.

(g) *DisclosureUSA.* The City may elect to submit the information required by this Section 15 to be filed with the NRMSIRs and the SID, if any, directly to DisclosureUSA.org unless or until the Commission withdraws its approval of this submission process.
